PART C: DECLARATION

- Before you are shown any equine’s, you must listen to our safety instructions and read through all the relevant risk assessments.
- You will only be shown equines The Hugs Foundation staff consider suitable for you.
- The Hugs Foundation reserves the right to refuse an application and/or viewing.
- The Hugs Foundation reserves the right to stop the re-homing assessment process at any time.
- Any equine taken on loan must have instructions followed- For example: **MUST NOT** be lunged, long reined, ridden or driven if we have said so.
- **It is the responsibility of the rehomer to arrange transport for the equine from The Hugs Foundation to the new loan home (This will also apply if returning the equine)** Transport must be suitable for the individual equine including type (horsebox or trailer), size, towing vehicle and in a good state of repair and roadworthy. Failure to provide suitable transport will result in the equine not being allowed to leave the yard.
- You are required to sign the declaration below certifying that you understand the re-homing procedure and that all the information you have provided is accurate.
- The Hugs Foundation may wish to check any of the details you have provided. Providing incorrect information or deliberately concealing any relevant facts may result in disqualification from the selection process.

I have read and understood the terms and conditions included in this application form for taking a The Hugs Foundation horse on loan. I declare the information on this form is correct and I have omitted nothing that, to the best of my knowledge, might affect this application.
