# KINDNESS. DIGNITY. RESPECT. HELPING PEOPLE AND ANIMALS.

The Hugs Foundation rescue, rehabilitate and rehome horses, ponies and donkeys that have been mistreated, abandoned or are unwanted.

We also provide well-being support to children, young people and their families to improve their health and well-being alongside our rescue animals. Situated in a unique and nurturing environment, we support a range of needs, aiming to support recovery, improve resilience and teach coping strategies for lifelong impact through therapeutic learning and animal assisted services.

Founded in 2017, The Hugs Foundation has achieved great success in its short history, but there is still a lot more we want to achieve.

## How can you help?

Hugs relies on the generosity and compassion of its supporters to continue our life changing work, funded solely by our community. With your help we can reach our goal to continue to grow and touch the lives of many. Bringing positive change to the community and grow to a full centre of rehabilitation for all.
